

Register til Personalhistorisk Tidsskrift 2011

Ved Hanne Blenner

Personerne er som hovedregel registreret med deres slægtsnavn, således som det er anført i teksten. Navne sammensat med bindestreg, findes under første navns begyndelsesbogstav. Partikler som von, de, des, de la, zum o.s.v. ses der bort fra; f. eks. von Oppel under O. Romertal foran sidetal henviser til hhv. bind I eller II. Som hovedregel kan det ikke påregnes at finde navne, der alene optræder i noter og litteraturlister.
